

Kortbilag 1 - Bymønstret

The map illustrates the urban pattern of the Vejle region, categorized by settlement type:

- Hovedby (Main town):** Represented by red dots. These include Grindsted, Vejle, Vejle, Kolding, Middelfart, and Haderslev.
- Centerby (Center town):** Represented by yellow dots. These include Billund, Egved, Brørup, Rødding, Gram, and Ejby.
- Lokalby (Local town):** Represented by orange dots. These include Sender Omme, Fiskov, Give, Givskud, Jelling, Grejs, Bredal, Skarup, Borkop, Garslev, Egeskov, Strib, Kauslunde, Nr. Aaby, and many others.

The map also shows a dense network of roads and water bodies, including the Vejle Fjord, Lillebælt, and various smaller lakes and rivers. The surrounding regions of Sønderjylland, Nordjylland, and Ribe are also visible.
